Havertown, Pa: July 3<sup>rd</sup>, 2017 – Kelly Music For Life presents the second of five concerts in the **Haverford Concert In The Park Summer Series** sponsored by **Giant Food Stores** on **July 12<sup>th</sup> at 6 PM**. This concert is in **Paddock Park in the Paddock Farms section of Havertown PA**. Held in Haverford Township parks,

these five Wednesday evenings filled with great music will be perfect nights to share with your family, friends and neighbors under a twilight sky.

The Haverford Concert In The Park Summer Series features performances by some of the area's best known singer-songwriters and groups. Enjoy snacks from the concessions, bring your own comfy chairs, or just stretch out on a blanket under the stars and let the music make the evening dance. You can dance along with the music, too.

This is the third year Kelly Music For Life has brought great music to the Paddock Farms neighborhood. This concert features:

**The Pennise Family Band** - <https://pennisefamilyband.com/>. A true “family band” including mom and dad, Elaine and Tom, and the children, Jennifer and Tommy, filling out the lineup. The band is based out of Montgomery County, Pennsylvania. Elaine on lead vocals, acoustic guitar and keyboard, Jen on vocals, guitars and keys, Tommy on lead guitar, vocals and sax, dad on bass and family friend, James Bowman on drums are surprising audiences with their amazing musicianship and energetic performances.

Performing classic rock and current covers as well as original music composed by Jennifer Pennise, the band is versatile and entertaining, engaging the crowd and gaining many fans with every show. One of Jennifer's original songs, “In My Head”, features a catchy chorus encouraging “audience participation”, singing and clapping along.

The band has gained many fans along the way from local performances reaching as far as the Pocono Mountains. The Pennise Family Band has recently been chosen to perform the pre-show concourse concerts at the Wells Fargo Center for Garth Brooks and Neil Diamond. On Wed, July 12<sup>th</sup>, you can find out why.
